

## ART & DESIGN - LEVEL 2

### SUMMER TASK

#### TASK 1 - WE WANT TO KNOW WHAT YOU ARE INTERESTED IN

Write a brief statement, including the following:-

- Which part of your GCSE Art did you think was the most successful, and why?
- Who is your favourite artist or designer and what is it about their work that you like?
- What do you want to be in the future?

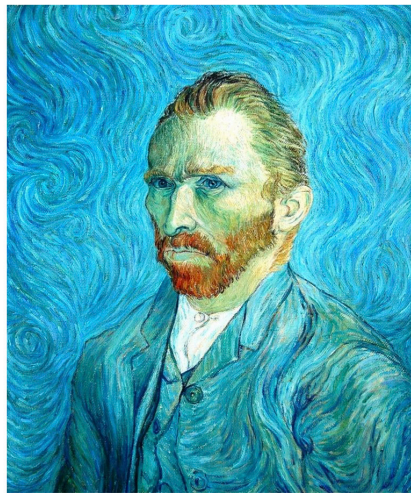

#### TASK 2 - DIFFERENCES AND SIMILARITIES

Below are two images, we would like you to list at least five similarities and five differences between them. Rather than carry out research, we want you to look closely and comment on what you can see. Describe both images, consider what you think the images might be about, comment on the techniques of the two artist's work, and think about the colours the artist has used and why.
