# PREPARING TO BE A HALESOWEN COLLEGE STUDENT

Use the time you now have to get a head start...

## BACKGROUND READING

Look at articles and other material related to the courses you have chosen. It will help to develop your understanding

## VOLUNTEERING OR WORK EXPERIENCE

This could benefit the community and build your confidence. The practical experience will be very useful, particularly if you have chosen to study a vocational programme

## CHECK OUT READING LISTS

Most subject areas will supply reading lists before your course is due to start

– don't ignore them!

## CONSIDER YOUR CAREER OPTIONS

The world of work may seem a long way away but doing your research now can ensure that you know exactly what you need to do to achieve your goal

## WORK ON YOUR STUDY SKILLS

Practice note taking, essay writing, quizzes, mathematical problems

– anything to keep your mind active

## GET ORGANISED

Make sure you have all the study materials and equipment needed for your courses and familiarise yourself with your free College Bus Route

## KEEP UPDATED

Regularly check out the College's social media and website – they are constantly being updated and will ensure you have all the latest news and enrolment information

We are looking forward to welcoming  
you to **HALESOWEN COLLEGE** in the  
new academic year and helping you to  
**LEARN, SUCCEED & FLOURISH!**
