FACIALS

Eve Taylor Customised Luxury Facial

60 mins

Includes double cleansing, exfoliation, extractions (as needed), relaxing decollete, shoulder, facial & scalp pressure point massage, masque, toner & application of skin protection cream.

Electrical Facials

60 mins

The therapist will complete a full consultation and skin analysis prior to your treatment. A minimum of 2 pieces of equipment will be used to meet your individual needs- may include deep cleansing, toning or detox.

Microdermabrasion Facial

60 mins

Removes dead skin cells, providing a deeper cleanse encouraging product penetration. This is followed by a relaxing scalp, face, neck and shoulder massage. The treatment concludes with the application of a soothing masque, which provides a radiant glow.

Non-Surgical Facelift Facial

60 mins

Using a micro current technology. Tiny electrical impulses will lift and tone the facial muscles whilst improving skin elasticity and reducing the appearance of fine lines and wrinkles.

Direct high frequency facial

Combined with other electrical facials which will be prescribed to you during consultation. The high frequency facial is used to treat and prevent stubborn acne, shrink enlarged pores, and generally rejuvenate the condition of the skin.
